## Financial Policies

Payment for Services, including deductibles and copayments, are due at the time of the service unless other arrangements have been made prior to treatment. Payments may be made using cash, check, credit cards or Care Credit.

The office of Dr Sueoka accepts all PPO dental plans. However, we are only "in-network" with Delta Dental Premier. We are happy to submit the claims necessary to see that you receive your benefits. The insurance contract is an agreement between you and the insurance company. You are ultimately responsible for all charges. We cannot guarantee that any coverage estimated by your plan will be paid once a claim is filed.

In order to maximize your benefits and because plans differ from carrier to carrier, and from policy to policy, our office may refer you to your carrier or your employers benefits coordinator for assistance in understanding your plan. Please note that dental insurance is intended to cover some but not all dental care costs, and not all services are covered by your plan. You are responsible for payment of all services regardless of the payable benefit.

Checks that returned to our office from your financial institution are subject to $25 returned check fee. This fee covers the processing fees that are charged to our office. We would be happy to discuss our charges and how they relate to your particular situation.

A service charge of 1-1/2% per month on the unpaid balance will be charged on all accounts exceeding 60 days, unless previously written financial arrangements are satisfied.
